BING CROSBY REDISCOVERED
TUESDAY, DECEMBER 2 AT 7PM
Happy Holidays! As you thumb through the program guide this month, you’ll notice a number of holiday specials, including a new Wyoming Chronicle: Lander Community Christmas on Friday, December 19, which features a performance by Buffalo Bill Boycott. We’ll be taping this program live in Lander at the newly rebuilt community center on December 5. If you’re in the area, we hope you’ll join us for what is sure to be a memorable performance!

We also hope you’ll join us during our Winter Membership Festival and consider a generous, end-of-year gift. With musical specials like The Midtown Men, 50 Years with Peter, Paul & Mary, and A Tribute to Bruce Springsteen, along with our popular local documentaries End of Track and 100 Years on the Lincoln Highway, there’s much to support in both national and local programming.

Good news for all you Downton Abbey fans - Season 5 premieres on January 4! To refresh your memory on the intricate story lines, we’ve scheduled a Downton Marathon with back-to-back episodes of Season 4 on Sunday, December 21 from 6pm – midnight, and December 28 from 6-10:30pm.

We will be partnering with the University of Wyoming Department of Theater and Dance and Wyoming Public Media in an outreach initiative in support of the upcoming second season of the PBS series “Shakespeare Uncovered”, scheduled to air in late January/early February. Our plans include a screening of the film in January; in March, we will be joining forces with UW theater students in a statewide community tour in which the students will be directing and performing a selection of Shakespeare’s plays in the style of the acclaimed Actors from the London Stage.

Finally, we are the recipient of an outreach/engagement grant in conjunction with Ken Burns’ upcoming documentary series The Story of Cancer: The Emperor of All Maladies. Our efforts will include screenings and discussions around the state with medical professionals and those who’ve been affected by the disease. Stay tuned for more information.

On behalf of the entire staff at Wyoming PBS, we thank you for your support this past year and wish you the very best this holiday season.

General Manager

London and Highclere Castle

August 2–8, 2015

Dr. Walter Nolte, WWI historian and trip guide, will instruct on the historical aspects of the sites we visit as they relate to the popular PBS series Downton Abbey. We will start with a grand overview of London’s most famous sites including those with historical relevance to the WWI era. Experience the essence of the period by spending an afternoon with a Downton Abbey insider, learning the rules of etiquette, explore the culinary history and sample foods served in the early 20th century, and tour Highclere Castle and the village of Bampton.

Space is limited. To reserve a spot or for more information, pricing and itinerary, contact Ann Dalton at 307-268-2085 or adalton@caspercollege.edu.
